FOREIGN BROADCAST INFORMATION SERVICE

Polish Broadcasting

Warsaw's domestic service, television, and international broadcasting remain essentially unchanged from the pattern that has developed since the imposition of martial law. Regional radios remain off the air, although regional newspapers seem to be publishing. Moscow's TASS continues to relay some items from the Polish press agency PAP. [redacted]

Vienna-London Link

A second voice circuit between FBIS Vienna and BBC London went into operation 1 January on a regular basis. The original circuit is used to relay some 45 programs a day from Vienna to London for processing. The second line is for the time being carrying Radio Warsaw for processing by BBC Polish monitors. ☐
